

## Night work - Resurfacing works along M4 Motorway

From Monday, 6 September 2021, night work will be undertaken to resurface a section of the M4 Motorway between Homebush Bay Drive Interchange and Concord Road exit ramp. Please see map overleaf for location of work.

### What we're doing

From Monday, 6 September to Tuesday, 21 September 2021, maintenance work will be undertaken along a section of the M4 Motorway (Eastbound and Westbound), between the Homebush Bay Drive Interchange and the Concord Road exit ramp. The work is scheduled to occur between 9:00pm to 5:00am Sunday to Thursday (inclusive) over 20-night shifts, weather and site conditions permitting.

Due to the high volume of traffic during the day, work will be scheduled at night, outside of standard construction hours to ensure the safety of pedestrians, motorists and workers.

The work will involve:

- setting up traffic control
- removing the current road surface
- laying of a new asphalt layer
- compressing the surface with a vibration roller
- line marking, cutting, and sealing the new road surface.

### How this affects you

There will be some noise associated with this work, however every effort will be made to minimise the impact of work including:

- staging the works to ensure respite
- scheduling high impact noise activities as early as possible
- where practical, implement noise barriers
- turning off equipment and vehicles when not in use
- instructing workers to keep noise to a minimum
- where possible, directing noisy equipment away from residences.

### When

Monday, 6 September to Tuesday, 21 September 2021

### Hours of construction

9:00pm to 5:00am Sunday to Thursday (inclusive)

### Where

M4 Motorway (Eastbound and Westbound), between Homebush Bay Drive Interchange and Concord Road exit ramp

### We speak your language

Need an interpreter?

Call the Translating and Interpreting Service on **131 450**.

## Traffic changes

There will be temporary east and westbound closures of the M4 Motorway between Concord Road and Homebush Bay Drive interchange. Detours will be in place. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers. The New M4 Tunnels will remain open to traffic in both east and westbound directions. We appreciate your patience and understanding during these important works.
