

Night work to install cantilever signs in M8 on-ramps, St Peters

The M4-M5 Link Tunnels will undertake work to install two cantilever signs within the St Peters Interchange on-ramps near the Euston Road and Gardeners Road ramps to the M8 in St Peters.

What we're doing

The work is scheduled to occur over four (4) night shifts from Monday 31 January until Friday 4 February 2022, between 9:00pm and 5:00am.

Due to the high volume of traffic during the day, this work must be scheduled outside of standard construction hours to ensure the safety of pedestrians, motorists and workers.

Work will involve:

- setting up traffic management
- setting up a safe work area with site specific environmental controls
- attaching sign posts to the foundations
- attaching the sign faces to the posts
- removing all traffic management and reopening all lanes.

Equipment required for this work includes, but is not limited to; trucks, traffic control (including traffic control vehicles) and other light vehicles, mobile cranes (franna), elevated work platforms and hand tools.

How this affects you

This work will at times be noisy. The Project is committed to mitigating construction impacts on surrounding residents by:

- scheduling noisier activities such as saw-cutting as early as possible
- consulting with directly impacted residents ahead of the work taking place
- using noise blankets and other barriers to reduce noise impacts where possible
- directing temporary lighting away from properties
- using non-tonal reversing beepers and instructing workers to keep noise to a minimum.

When

Monday 31 January - Friday 4 February 2022

Hours of operation

9:00pm - 5:00am

Where

St Peters Interchange on-ramps near the Gardeners Road Bridge, St Peters

Notification No. MT362

Constructed by

Traffic changes

Temporary changes to traffic routes around the work site will be required. One on-ramp to the M8 tunnel will be closed during the work. Traffic control and signage will be in place to assist motorists through these changes.

If you have an enquiry or complaint or you want to provide feedback about this update, please contact the M4-M5 Link Tunnels team toll free on 1800 660 248, email info@m4-m5linktunnels.com.au or write to PO Box 63, Mascot, NSW 1460.
