What is happening?

From Monday 23 May 2022 night work will be undertaken on Gardeners Road, Mascot to remove and replace a damaged roadside electrical cabinet.

This work must be undertaken at night as it will require a road closure for the work to be completed safely.

Work will be carried out from **Monday 23 May to Friday 27 May 2022 between 10:30pm to 4:00am** over five night shifts:

What impacts will the work have?

The work will involve:

- removing the damaged electrical cabinet
- repairing the concrete foundation and installing a new cabinet
- energising and testing the electrical components.

How this affects you?

During this work a full road closure will be in place on Gardeners Road, west of Kent Road. No local access will be permitted during the five nights of work. Please make arrangements for deliveries and business access requirements to be during business hours and notify customers and delivery drivers about the road closure.
