

Pause to construction activities at the M4-M5 Link Tunnels

In line with new restrictions introduced by the NSW Government on Saturday 17 July 2021, the M4-M5 Link Tunnels project has paused construction work until 11.59pm on Friday, 30 July 2021, or as otherwise advised by NSW Health.

Over the weekend the project team made arrangements to close and secure our construction sites.

During the pause on construction, approved staff may need to attend site to carry out essential and urgent environmental, safety and security activities which include, but is not limited to, security checks, fixing potential safety issues, water treatment plant operations, pump maintenance, surface surveys and inspections.

As required, all of the activities mentioned above will continue to be carried out in accordance with NSW Health advice.

We will ensure to provide updates in the lead up to the work restarting.

The M4-M5 Link Tunnels community team will be available throughout the construction pause to answer any questions or concerns you may have. You can contact the team via, phone toll free 1800 660 248 or email info@m4-m5linktunnels.com.au.
