

A photograph of a large green sports field, identified as Blackmore Oval. In the foreground, there is a wooden picnic table with two benches. To the right, a black chain-link fence encloses a netball court. In the background, there are trees and a long, low building. The sky is clear and blue.

Blackmore Oval **will not
be used** as an M4-M5 Link
construction site.

Get the facts about the M4-M5 Link.

Sydney Motorway Corporation understands that open space in the Inner West is limited and treasured.

Blackmore Oval has **not** been shortlisted as a possible location for the mid-tunnel construction site between Haberfield and Rozelle.

The proposed location of this construction site is still under consideration and will be detailed in the M4-M5 design which will be released in January 2017 for public comment.
