Welcome

Declarations of interest

Actions from previous meeting

Air quality items raised by the community

Project update

Complaints – Rozelle Interchange Air Quality

No complaints received

Rozelle Interchange Air Quality Update

No Air Quality Exceedances recorded since the last AQCCC meeting.

Rozelle Interchange Air Quality Update

Ambient Air Quality Data

Operations and Maintenance Update

The WCX Civil maintenance team have increased their inspections of the Parklands area following the recent severe weather and rain events.

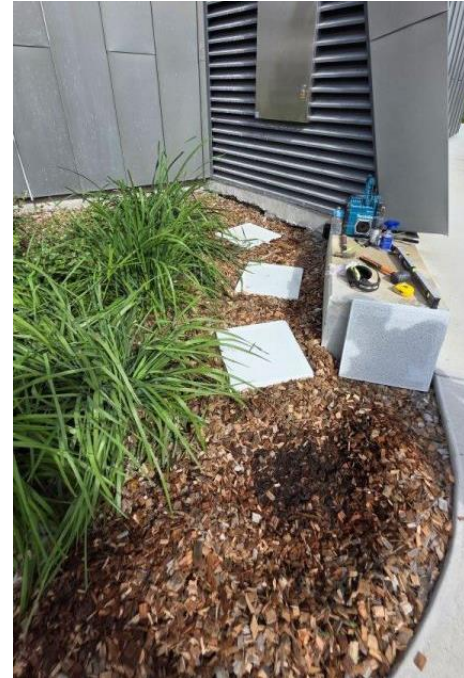

Wetlands Fencing Update

WCX has now acquired an approved design for permanent fencing around the Wetlands. WCX has shared this proposal with TfNSW. TfNSW is now in discussion with the supplier for next steps.

Rozelle Interchange – Rozelle Parklands Maintenance Update

Ventilation Outlet Façade Update

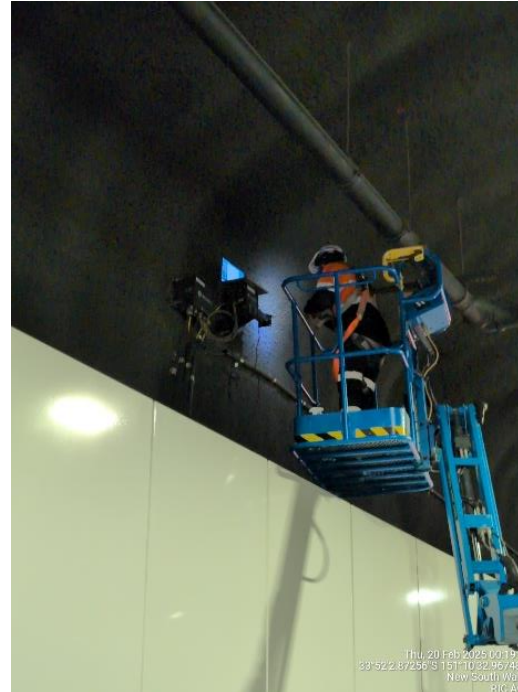

- Scoping proposal for trial with support from TfNSW's UDLP lead
- Plants to begin establishing themselves in a nursery in coming weeks
- Trial to commence around September 2025 (Spring) – The established plant modules will be reinstalled on the outlets and monitored for a period of up to 6 months over Spring and Summer
- Results will be shared with TfNSW as the trial progresses.

The Parklands irrigation system has received an upgrade to better control the water for the area following observations by the WCX maintenance team.

Heavy maintenance has been undertaken on the RIC High Voltage network ensuring reliable power is provided.

The Rozelle Interchange Air Quality System has undergone annual routine maintenance by the WCX specialist subcontractors ACOEM and ASSURED Environmental.

WCX has been working with TfNSW and the WHT D&C Contractor to complete lane adjustments within the Rozelle Interchange allowing for construction vehicles to use the live tunnel directly which will significantly reduce the number of trucks each day on the surface roads above (est. 1000 per day to use tunnel instead)

Vibration sensors have been removed by TfNSW following monitoring period post Opening.

Questions

Upcoming 2025 meeting dates –
Invitations circulated:

Meeting 17 - Tuesday 3 June 6:00pm - 8:00pm

Meeting 18 - Tuesday 2 September 6:00pm - 8:00pm

Meeting 19 - Tuesday 2 December 6:00pm - 8:00pm
