

## Ongoing night and weekend work and traffic changes on Gardeners Road and Kent Road, Mascot in August 2020

Work continues on Gardeners Road and Kent Road to finalise the road surface upgrades in Mascot.

### What we're doing

From **Monday 3 August to Wednesday 19 August**, various shifts of night work and weekend day work will take place to install median kerbs, traffic islands and mill and place new asphalt on sections of the roadway.

Equipment used during the work will include lighting towers, hand tools, vacuum trucks, excavators, asphalt milling equipment, asphalt paver, plate compactor, potholing truck, road saws, bucket trucks, generators, and traffic management and construction vehicles.

This work must take place at night and on weekends, outside of standard construction hours, due to the road closures and traffic approvals required. A map showing the work shifts and locations of the work during each night work shift is provided overleaf.

### How this affects you

- Lane closures will be in place on Gardeners Road and Kent Road for the duration of all night shifts **between 9pm and 5am** with one lane traffic maintained in each direction.
- A partial road closure will be implemented at the intersection of Gardeners Road and Bourke Road/ Street from **10 pm 14 August to 6pm 16 August 2020** (Gardeners Road will flow each direction with Bourke Road and Bourke Street closed). Detours will be in place around this closure.

Please see the map overleaf for further details.

Access to driveways located on Gardeners Road and Kent Road will be maintained for residents and businesses at all times. Residents and businesses will be required to provide their address to traffic control to be permitted through the road closure to their property. Traffic control personnel, signage, and reduced speed limits will be in place to assist residents and road users through the traffic changes.

### When

#### Night work:

Monday 3 August to  
Wednesday 19 August, 9pm  
to 5am

#### Weekend work:

Saturday 8 & Sunday 9  
August, Saturday 15 &  
Sunday 16 August - 8am to  
6pm

## Minimising impact on residents

Every effort will be made to minimise noise and light spill associated with this work by scheduling noisy work to take place early in the night where possible, turning off equipment and vehicles when not in use and using non-tonal reversing beepers on all machinery. Traffic control on Gardeners Road will be setup away from residential properties where possible to minimise light and noise disruption.

To be kept updated of cancelled or postponed work, or if you have any questions about this work or the associated detours or would like to make a complaint, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email [info@newm5.com.au](mailto:info@newm5.com.au).
