Yara Avenue and Warayama Place traffic update

Good afternoon

Further to the traffic update sent to residents last Friday 28 August, we'll be **temporarily closing part of Yara Avenue from Monday 7 September for approximately four weeks**. This traffic change is to facilitate Balmain sewer relocation work scheduled to be completed on Yara Avenue by the end of this year.

During this time we'll be working in Area 2 (shown in **yellow** in below map) and a partial closure of Yara Avenue will be in place. Access for residents of 24 Warayama Place will be via Warayama Place only. On-street parking along Yara Avenue will be maintained. Traffic control will be stationed to assist motorists however please allow a little extra time when travelling to/from your home.

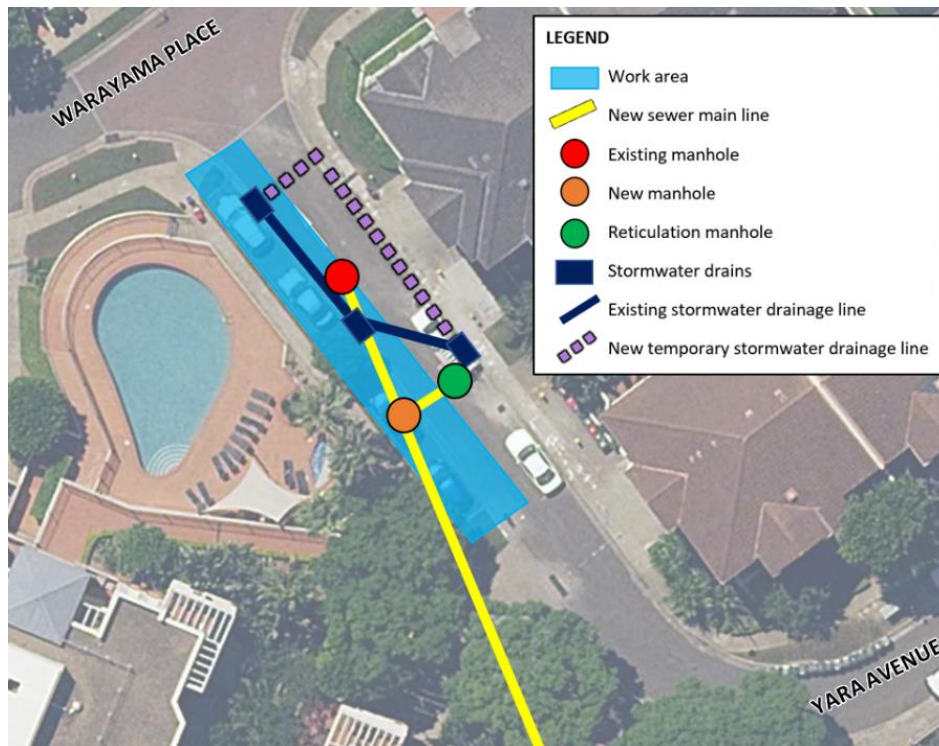

Work will generally take place standard work hours (7am to 6pm) and residents will be notified if night work is required.

This traffic change will allow us to connect the existing sewer and manhole (marked in **red** on the map overleaf) and new sewer and manhole (marked in **orange** on the map).

As a result, the existing work area (marked in **light blue** on the map) will change in shape and size to include both manholes. This new work area will stretch across the width of Yara Avenue (requiring us to close the road at this location).

We will trench from the new sewer manhole to the existing manhole, install the new sewer pipe, and backfill the trench.
