

Weekly work update | Rozelle, Lilyfield & Annandale | week beginning 12 July

Date published: 7 Jul 2021

Good afternoon

This update provides information about our noisy night work scheduled for next week in Rozelle, Lilyfield and Annandale.

There's also information in this update on:

- asphaltting work on Lilyfield Road
- pedestrian and cyclist route changes on The Crescent and City West Link

If you're viewing this update on a smartphone or tablet, please click on any map or image to enlarge it for a closer look. For further information about our ongoing construction activities across our sites, please visit the [construction portal](#).

Noisy night work next week

Update: asphaltting work on Lilyfield Road

Thanks very much for your assistance and patience this week.

The asphaltting work between Justin and Foucart streets will be completed today. The images below show the completed section between Justin and Ryan streets.

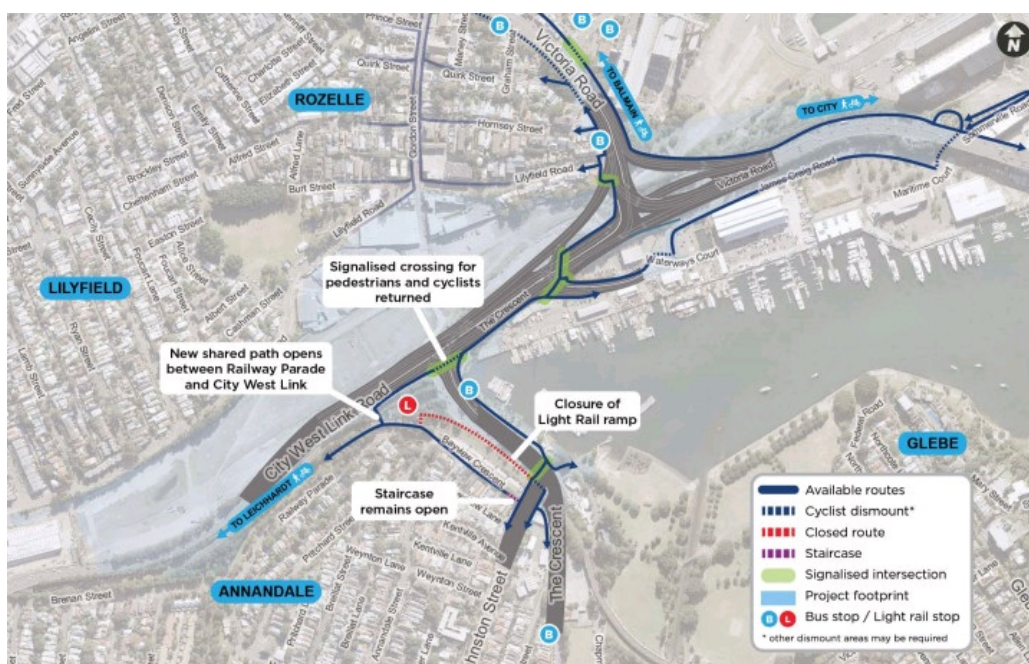

Week beginning 19 July, we're planning to complete asphaltting work between Trevor and Justin streets. This work will be completed on Monday, Tuesday and Thursday nights between 7pm and 6am.

Reminder: pedestrian and cyclist route changes on The Crescent and City West Link

From Saturday morning, there will be significant changes to the pedestrian and cyclist routes in this area:

- the signalised crossing on The Crescent at City West Link will re-open to meet a new path through our site between The Crescent and Railway Parade/Bayview Crescent; and
- the temporary ramp between the Rozelle Bay light rail station and The Crescent (at Johnston Street) will close and be removed to enable the next stage of bridge construction.

These changes and the available pedestrian and cyclist routes are demonstrated in the map below.

Please note, cyclists are legally required to dismount at locations shown on the map. This includes at the zebra crossing at the intersection of The Crescent/City West Link and on a narrower section of path between Railway Parade and City

West Link. Cyclists are reminded that they must dismount at the zebra crossing.

The pathway between Railway Parade and City West Link is scheduled to become a shared path in August following completion of the adjacent construction work. At this time, cyclists will not need to dismount through this section. We understand the inconvenience a dismount causes riders and the project will continue to work to open this portion of the shared path as soon as possible.

To make an enquiry or complaint

Please note, you cannot respond directly to this email. If you would like to know more about our work or to make a complaint, please contact us at the details provided below.

Phone: 1800 660 248

Email: info@rozelleinterchange.com.au

We'll endeavour to resolve your complaint or answer your enquiry as quickly as possible, and you will receive a response from the project within five business days.

Kind regards

Community Relations Team - Rozelle, Lilyfield and Annandale
