## Community Information Centre to remain closed

Due to the increases in Covid 19 cases over the past two weeks, the Community Information Centre will now remain closed until it's safe again to reopen.

We are disappointed about this control but it is for everyone's safety.

The Project has also implemented the following controls for all our staff

- reinstating our Isolation Zones where workers are restricted to their specific site office or crib shed
- Zoom meetings in place of face to face meetings
- the wearing of masks in non work related public indoor venues
- continued hygiene
- workers staying home if unwell and getting tested
- avoiding public transport
- no car pooling with workers from a different Isolation Zones

Movement between outdoor locations remains unrestricted with social distancing where possible.

As always, we can be easily reached via email [info@rozelleinterchange.com.au](mailto:info@rozelleinterchange.com.au) or by phone at 1800 660 248 and asking the Call Centre to be put through to the Rozelle Interchange team.
