

9 September 2016

Traffic switch on the M4 Motorway in the vicinity of Silverwater Road, Silverwater

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the M4 is being widened between Granville and Homebush from three to four lanes in each direction, alleviating congestion. Visit westconnex.com.au/M4Widening for more information.

From **Wednesday, 14 September 2016** work will commence to switch traffic from the outer lanes to the new centre lanes on the M4 Motorway between Silverwater Road on and off ramps, including the Silverwater Road eastbound on-ramp. A map showing the location of the work is provided overleaf.

Work on the westbound carriageway will take place from **Wednesday, 14 September 2016** and is expected to take **two nights** to complete, weather permitting. The westbound carriageway between Concord and Silverwater will be closed during this work.

From **Sunday, 18 September 2016** work will commence on the eastbound carriageway and is expected to take **five nights** to complete, weather permitting. The eastbound carriageway between Silverwater and Concord will be closed during this work.

To ensure the safety of workers and motorists, the work will take place between **10.00 pm and 5.00 am**.

Traffic control and detours will be in place to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the direction of traffic controllers and signage.

Equipment used during the work will include paver, bobcat, sweeper, water blaster, trucks, lighting towers, mobile cranes and power tools.

Some of this work may be noisy, however every effort will be made to minimise the impact of work, including by using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment and lights away from residences.

If you would like further information about the upcoming work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 Widening team or email community.info@rcpbjv.com.au.

Notification reference: N080

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
