### Traffic and pedestrian management

Other temporary traffic changes will also be in place during this period, including lane, parking and footpath closures, stop-go arrangements and reduced speed limits.

Traffic control, detour signage and pedestrian management will be in place during the work to ensure the safety of motorists, pedestrians and workers. If you travel along this route for work, please allow extra travel time and follow the signage and the direction of traffic controllers.

### Footpath closures

The footpath along the eastern side of Princes Highway between Campbell Street and Albert Street will be temporarily closed. Footpaths on streets adjoining Campbell Street and Princes Highway will also be intermittently closed during adjacent property clearing. Pedestrian and cyclist detours will be established during the closures with signage in place.

### Street parking

Sections of parking on streets adjoining the Campbell Street and Princes Highway work area will be removed intermittently during adjacent property clearing. Traffic controllers will mark-off the sections of parking as required.

### Work hours

Property clearing work will generally be undertaken between **7.00am and 6.00pm from Monday to Friday and 8.00am to 1.00pm Saturdays.**

To facilitate the safe installation and relocation of concrete barriers along Princes Highway and Campbell Street associated with these traffic changes and power adjustment work at Princes Highway/Campbell Street intersection, night work will be intermittently required during this period.

Night work will occur between **7.00pm and 5.00am from Monday to Saturday** and every effort will be made to minimise disruption to nearby residents. Equipment to be used during night work will include trucks, lighting towers, crane trucks, excavator, vacuum truck, concrete saw, plate compactor, light vehicles and hand tools.
