

3 May 2017

Update – Temporary road closure on Silver Street, St Peters

Work is currently under way to reinstate the new cable route to its original condition on local streets in St Peters. The reinstatement work involves replacing sections of road, footpaths and driveways along the cable route and replanting 38 replacement trees along Silver Street.

On **Monday 8 May**, work will be undertaken on Silver Street near Edith Lane to replace the concrete slab where the cable route crosses the road. This section of Silver Street will be closed while the reinstatement is complete. Working hours are between **7am to 6pm**.

A map is provided overleaf showing the location of the closure and detours.

Traffic changes

The section of Silver Street near Edith lane will be closed. Drivers who want to access Princes Highway from Silver Street will be detoured onto Florence Street. Cars from Silver Lane will still be able to access Princes Highway.

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changed conditions. Access to properties will be maintained under traffic management.

More information

If you have any questions about this work, please call toll free 1800 660 248 and ask to speak to a member of the New M5 community engagement team.

New M5 Heritage Salvage

More than 460 salvaged items from acquired heritage properties in St Peters are now available to the community free of charge. A catalogue of the items, along with the registration form is available at westconnex.com.au/heritage-newm5.

All registrations forms must be received by **5 June 2017**.
