

Disconnecting services - Parramatta Road, Ashfield and Haberfield

Work is underway to establish the Parramatta Road East and West sites. Part of this work involves disconnecting power lines located near the Parramatta Road/ Bland Street intersection. A map showing the work location is provided overleaf.

What we're doing

Due to the high volume of traffic during the daytime, this work must be conducted at night for the safety of pedestrians, motorists and workers. Work will be carried out between **10.00pm and 5.00am on Wednesday, 20 February 2019**. The work is expected to take one night to complete, weather permitting.

This work will involve:

- Installing traffic barriers and signage
- Setting up two elevated work platforms on both sides of Parramatta Road
- Temporarily stopping traffic for up to five minutes
- Disconnecting the service and bringing down the power line

Residents will not lose power while this work is carried out.

If the work cannot be completed during this time, it will be rescheduled, and you will be notified.

Equipment needed for this work includes, but is not limited to; elevated work platforms, hand tools, generators, lighting towers, trucks, traffic control and light vehicles.

How this affects you

This work is expected to generate some noise impacts on nearby residents and we are committed to minimising impacts by:

- Directing temporary lighting away from properties
- Consultation with directly impacted residents ahead of the work taking place
- Using non-tonal reversing beepers and instructing workers to keep noise to a minimum

When

Wednesday 20 February 2019

Hours of operation

10:00pm - 5.00am

Where

Parramatta Road, Haberfield and Ashfield and Bland Street (south), Ashfield

Notification No.MT055

Constructed by

Traffic changes

Temporary changes to traffic and pedestrian routes around the work site will be required while the work is taking place. One eastbound traffic lane and two westbound traffic lanes along Parramatta Road will be shut down between Bland Street and Alt Street, Haberfield/Ashfield. Traffic control and signage will be in place to assist motorists, pedestrians and cyclists through these changes.
