

G-loop on Dobroyd Parade, Haberfield - Night work

The G-loop on Dobroyd Parade is being reinstated to allow spoil haulage vehicles leaving the M4-M5 Link Tunnels Northcote Street construction site access to the New M4 tunnels on Wattle Street. The work will be carried out over two nights to install barriers, bollards, traffic signs and complete line marking. See the map overleaf for the night work area.

What we're doing

Due to the high volume of traffic during the day, work along Dobroyd Parade, Haberfield will be scheduled outside of standard construction hours to ensure the safety of pedestrians, motorists and workers.

The work will be carried out between **10:00pm and 5:00am on Thursday, 16 May 2019** and **Friday, 17 May 2019**, weather and site conditions permitting. The work will take two nights to complete.

This work will involve:

- Setting up a safe work area with site specific environmental controls
- Closing one northbound lane on Dobroyd Parade, Haberfield
- Traffic and pedestrian management to ensure the safety of motorists, residents and workers
- Installing concrete barriers, bollards and traffic signs
- Completing line marking

How this affects you

The Project is committed to mitigating construction impacts on surrounding residents by:

- Scheduling high-impact noise activities such as hammering as early as possible
- Directing temporary lighting away from properties
- Consultation with directly impacted residents ahead of the work taking place
- Using non-tonal reversing beepers and instructing workers to keep noise to a minimum

When

Thursday, 16 May 2019 and
Friday, 17 May 2019

Hours of operation

10:00pm to 5:00am

Where

Dobroyd Parade, Haberfield
between Martin Street and
Waratah Street

Notification No.MT089

Constructed by

Equipment required for this work includes, but is not limited to; hand tools, cranes, line marking machinery, lighting towers, generators, trucks, traffic control (including traffic control vehicles) and light vehicles.

Traffic changes

Temporary changes to traffic routes around the work sites will be required while night work is taking place. One northbound lane on Dobroyd Parade, Haberfield will be shut down during these works. Traffic control and signage will be in place to assist motorists, pedestrians and cyclists through these changes.
