

Night work - Parramatta Road Service Location, Haberfield and Ashfield

From **Thursday 23 May 2019**, work will be undertaken to locate services along Parramatta Road and investigate the median strip, between Alt Street and Bland Street. The work is expected to take one night to complete, weather and site conditions permitting. A map showing the work location is provided overleaf.

What we're doing

Due to the high volume of traffic during the day, work along Parramatta Road will be scheduled outside of standard construction hours to ensure the safety of pedestrians, motorists and workers in Haberfield and Ashfield.

The work will be carried out between **10:00pm and 5:00am on Thursday, 23 May 2019**, weather and site conditions permitting.

This work will involve:

- Setting up a safe work area with site specific environmental controls
- Closing one westbound lane and one eastbound lane on Parramatta Road, between Alt Street and Bland Street
- Setting up traffic management to ensure the safety of motorists, residents and workers
- Investigating the location of existing services
- Investigating the median strip at three locations along Parramatta Road
- Backfilling and reinstating the work area

How this affects you

The Project is committed to mitigating construction impacts on surrounding residents by:

- Scheduling noise activities such as saw-cutting as early as possible (5mins per location)
- Consultation with directly impacted residents ahead of the work taking place and installing noise blankets along Parramatta Road
- Using non-tonal reversing beepers and instructing workers to keep noise to a minimum
