

16 January 2017

## Out of hours work – Campbell Street / Princes Highway, St Peters

Power adjustments will be undertaken along Campbell Street and the Princes Highway, St Peters to facilitate ongoing property clearing for the New M5 project.

The work will involve adjusting the power supply at the Princes Highway / Campbell Street intersection, including removing existing power lines, installing new power poles and restringing power lines to the newly installed poles. Part of this work is being carried out by Ausgrid technicians.

Equipment used during the work will include trucks, cherry picker, generator, lighting towers, excavators, vacuum truck, concrete saw, light vehicles and hand tools.

A map showing the work locations is provided overleaf.

## Timing and work hours

This work is required to be undertaken outside of standard construction hours due to Ausgrid requirements for the power adjustments. The timing and work hours are provided in the table below.

Location	Date	Work hours
Campbell Street between Princes Highway and Barwon Park Road	Saturday 21 January	7am to 6pm
Princes Highway between Campbell Street and Albert Street	Sunday 22 January	6pm to 5am

## Traffic changes

Changed traffic conditions will be in place during this work, including:

- **Saturday 21 January** – Full closure of Campbell Street between Princes Highway and Barwon Park Road. Local resident access will be maintained.
- **Sunday 22 January** – Partial lane closures on the Princes Highway southbound.

Traffic control and signage will be in place to assist local residents, road users, pedestrians and cyclists navigate through the changes. Access to streets and properties on Campbell Street and Crown Street will be maintained under traffic management.

## Minimising community impact

Every effort will be made to minimise noise and light spill associated with this work by:

- scheduling noisy work to take place earlier in the shift
- limiting equipment on Sunday night to light vehicles and a cherry picker
- turning off equipment and vehicles when not in use
- directing noise generating equipment and lights away from residential properties where possible.
