

Night work, road closures and traffic changes on Bedwin Road, Campbell Street, Princes Highway and surrounding streets, St Peters

Work is ongoing to install and upgrade utilities along Campbell Street and surrounding streets. Some of this work will be conducted at night when traffic volumes are lower for the safety of workers, motorists, cyclists and pedestrians.

What we're doing

Monday 16 April, 7pm to 5am - Campbell Street (west), Church Street and St Peters Street

- Telstra cable haul communications work will take place. This work is not expected to have high levels of associated noise.

Monday 16 April and Thursday 19 April, 9pm to 5am - Princes Highway utility work

- Princes Highway road crossings will be carried out for Ausgrid power and Optus communications work. This work will involve trenching of the road surface on Princes Highway for the installation of utility services. Please see the map overleaf to better explain the location of this work.

Tuesday 17 April and Friday 20 April, 7pm to 6am - Bedwin Road utility work

- Night work will be carried out to dig a trenches in the road surface to install new power, Optus and water services on Unwins Bridge Road and Bedwin Road near the intersection of Campbell Street and May Street.

Traffic changes

Monday 16 April, 9pm to 5am - Telstra cable haul work

- Stop / slow traffic set up will be in place around St Peters Street and Church Street at the Campbell Street intersections.

Monday 16 April and Thursday 19 April, 9pm to 5am - Princes Highway lane closures for road trenching

- Traffic on Princes Highway in both directions will be maintained
- No access between Campbell Street (east) and Campbell Street (west) across Princes Highway

- Local access to Campbell Street (west) from May Street and Unwins Bridge Road. Traffic control will manage local access from the May Street and Unwins Bridge Road intersection

Tuesday 17 April and Friday 20 April, 7pm to 6am - Bedwin Road utility work

- The intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road will be controlled by traffic control under stop / slow traffic set up during this work. Traffic in all directions will be maintained in all directions. Please expect delays.

Additional traffic changes will be in place on Campbell Street (east), these traffic changes have been notified in notification no.391 which can be found online at <https://www.westconnex.com.au/local-updates>

Equipment used during the work will include excavators, compactors, rollers, road saw, jackhammer, electric winch, construction trucks, hand tools, light vehicles, lighting towers, and mobile cranes.

Traffic control will be in place to assist road users during this work.

The site compounds on May Street and along the southern side of Campbell Street and on both sides of Princes Highway will be used intermittently throughout the night work for storage of materials and vehicle parking.

Every effort will be made to minimise noise and light spill associated with this work by

- turning off equipment and vehicles when not in use
- using non-tonal reversing beepers on all machinery during night work
- directing noise generating equipment and lights away from residential properties where possible.

Night work and traffic changes on Princes Highway, Campbell Street, Bedwin Road and surrounding streets, St Peters on Monday 16 April and to Friday 20 April
