Continued investigation work – Euston Road, Lawrence Street, Huntley Street, Harley Street and McEvoy Street, Alexandria

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the New M5 will duplicate the existing M5 East corridor, doubling vehicle capacity and easing congestion between St Peters and Beverly Hills. It will include twin tunnels, an upgrade of King Georges Road Interchange and a new interchange at St Peters. Visit westconnex.com.au/NewM5 for more information.

From **3 January 2017**, various investigation works will continue on **Euston Road, Lawrence Street, Huntley Street, Harley Street and McEvoy Street, Alexandria** to inform the detailed design process. A map showing this work location is provided overleaf.

This work will occur between **7.00 am and 6.00 pm from Monday to Friday and 8.00 am and 1.00 pm on Saturday** and is expected to take two weeks to complete, weather permitting.

The work will involve:

- Scanning, surveying and monitoring roadway and footpaths
- Identity utility services using high pressure water from a vacuum truck
- Inspecting and cleaning utility pits and pipes
- Testing road pavement and ground conditions by drilling and cutting small diameter holes to collect soil and rock samples
- Setting up a safe work area and traffic management.

All worksites will be restored to their original condition after the work is completed.

Traffic changes

The work will involve some temporary changes to traffic conditions for the safety of road users, pedestrians, cyclists and workers, including:

- reduced speed limits
- lane closures
- stop/go arrangements
- short-term removal of street parking around the work area
- footpath closures and pedestrian detours.

Traffic control and signage will be in place to assist local residents, road users, pedestrians and cyclists navigate through the work area. Property access will be maintained during the work.

If you have a question or complaint about the work, please call 1800 660 248 and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
