

WestConnex's M4 East will extend the M4 Motorway with two new 5.5 kilometre tunnels from Homebush to Haberfield, providing a bypass of Parramatta Road and connection to the City West Link. WestConnex is part of Tomorrow's Sydney.

WestConnex's M4 East will reduce the bottleneck at the end of the existing M4 Motorway, return local streets to the community and enable urban revitalisation. Road users will avoid up to 22 sets of traffic lights between Homebush and Haberfield, easing congestion and saving travel time.

## Key benefits

- The extension of the existing M4 Motorway will reduce the bottleneck at the end of the M4.
- By 2021, around 67,700 trips are expected per day on the M4 East.
- The tunnels will remove an estimated 3,000 trucks a day from Parramatta Road.

## Keeping you informed

We are committed to keeping you informed and will provide regular information on the M4 East through direct mail and email notifications, community updates, advertising and other consultations.

You can also contact the WestConnex info line on 1300 660 248, email: [info@westconnex.com.au](mailto:info@westconnex.com.au) or visit [westconnex.com.au](http://westconnex.com.au) for more information.

## Tomorrow's Sydney

In the next ten years, another million people will call Sydney home. The Australian and NSW governments are building the infrastructure to support Tomorrow's Sydney, which will deliver an integrated transport solution including public transport and critical road infrastructure.

WestConnex is one of the flagship projects in delivering Tomorrow's Sydney. WestConnex will widen and extend the M4 and M5 and join them together to form a continuous, free-flowing motorway with connections to the city, airport and port. WestConnex will provide relief to the hundreds of thousands of road users struggling in traffic every day and help return local streets to local residents.

Enable

**Faster** and  
**more regular**

bus services on Parramatta Road

## Public transport

- Future provision of rapid public transport services and bus lanes along Parramatta Road.
- Improve north-south travel times across Parramatta Road for public buses accessing the Western rail line at Burwood and other stations.

Remove through traffic  
**from local areas**

## Better neighbourhoods

- Enable urban renewal in precincts along the Parramatta Road Corridor.
- Improvements along Parramatta Road and Wattle Street including new, wider footpaths and streetscaping.

**Creating jobs**

## More jobs

Over 4,000 full-time jobs will be generated by the construction of the M4 East, including:

- About 2,500 direct full-time jobs
- Flow-on employment of around 1,500 full time jobs.

Easing
