Dear Resident

## Property clearing Homebush

Work is continuing to construct the WestConnex Motorway, linking Sydney's west and south-west with the city, airport and port. WestConnex will ease congestion, create jobs and connect communities.

Work will soon commence to establish a tunnel site on Underwood Road which will require properties on Ismay Avenue and Allen Street, Homebush to be cleared from **Monday, 7 March 2016**. A map of the work area is provided overleaf.

To minimise impacts to the local community, work will take place between **7am and 6pm from Monday to Friday and between 8am and 1pm on Saturday**.

This work will take approximately 10 days to complete, weather permitting, and will include:

- installing temporary security fencing
- identifying and removing hazardous materials, as required
- demolishing buildings
- clearing the area and removing debris.

Equipment that will be used during the works will include excavators, trucks, saws, drills, hammers and forklifts.

Every effort will be made to minimise the impact of work, including using water carts to reduce dust, using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

If you would like further information about the upcoming work, please contact 1300 660 248 or [info@westconnex.com.au](mailto:info@westconnex.com.au).

Yours sincerely
