

## 5 August 2016

### Power Cable Installation, Homebush

Further to our notification on 13 July 2016, work continues to install underground power cables in Homebush.

To ensure the safety of workers and motorists, the installation of power cables on Pomeroy Street, between Underwood Road and Ismay Avenue will be undertaken **between 8.00 pm and 5.00 am from Wednesday, 10 August 2016** (see calendar below for work nights).

The work is expected to take four nights to complete, weather and site conditions permitting and will include:

- using a vacuum truck to locate existing services
- excavating a small trench in the road or footpath
- installing plastic pipes and pulling and connecting power cables
- backfilling and temporary reinstatement of the work area -permanent restoration will follow.

Equipment used during the work will include concrete saws, vacuum trucks, hand tools, lighting equipment and small excavators.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to properties will be maintained at all times. Some parking restrictions may be in place during work hours to ensure safe access for tip trucks and other related construction vehicles.

If you travel along the work route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including by completing road cutting activities before midnight, using non-tonal reversing beepers on machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
