

20 July 2017

Line marking – Underwood Road, Homebush

Further to our notification (N081c) on 15 June 2017, work continues on stage two of the temporary diversion of Underwood Road.

On **Tuesday, 25 July 2017** night work will occur on Underwood Road between Powell Street and the M4 Motorway overpass to perform line marking. This line marking is required in order to facilitate a new pedestrian island on Underwood Road. A map of the work is provided overleaf.

This work will take place **between 7.00 pm and 6.00 am and is expected to take one night to complete**. Please note, if the work is unable to be completed on this night, it will be rescheduled.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including by using non-tonal reversing beepers on machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

Equipment used throughout the work will include line-marking equipment, water blasting machines, trucks and lighting towers.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to properties will be maintained at all times. Some parking restrictions may be in place during work hours.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N081d

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
