

26 October 2016

Commencement of 24 hour spoil removal – Cintra Park construction site

Further to our notification on 7 July, Cintra Park site establishment activities are now complete.

Tunnelling is well underway with tunnelling activities including excavation now occurring 24 hours per day, up to seven days per week in accordance with the project's Environmental Protection Licence conditions.

To support the work of up to four roadheader machines tunnelling from the Cintra Park site, the removal of spoil from the site will also commence 24 hours per day, seven days per week from **Tuesday, 1 November 2016**.

Trucks will enter and exit the site via Parramatta Road, and will be loaded with spoil inside the acoustic shed to minimise impacts to the community.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
