

3 August 2016

Temporary road closure - Alt Street, Haberfield

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

The M4 East will extend the existing M4 from Homebush to Haberfield via underground twin tunnels, each 5.5 kilometres in length and among the widest in the southern hemisphere. They will allow for three lanes of traffic in each direction, saving travel time for motorists and taking traffic off local roads. For more information, visit westconnex.com.au/M4East.

Further to our notification dated 25 May 2016, temporary closure of Alt Street between Martin Street and Ramsay Street, Haberfield will be in place until **early September 2016**. This closure is required to ensure safety of our workers and the community while the water main installation works continue.

No through traffic will be permitted in the work area and a detour to and from Ramsay Street will be in place for the duration of the works. Access to private properties will be maintained at all times. Please see map overleaf.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au. Notification No. 99

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
