

3 August 2016

Utility Diversion Work – Ashfield and Haberfield

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

The M4 East will extend the existing M4 from Homebush to Haberfield via underground twin tunnels, each 5.5 kilometres in length and among the widest in the southern hemisphere. They will allow for three lanes of traffic in each direction, saving travel time for motorists and taking traffic off local roads. For more information, visit westconnex.com.au/M4East.

From **Monday, 8 August 2016** work will commence to relocate water and electrical services in the Ashfield and Haberfield area. This work will take approximately **three months to complete**. A map showing the location of the work is provided overleaf.

To minimise impacts on nearby residents, generally work will be undertaken **between 7.00 am and 6.00 pm from Monday to Friday and 8.00 am and 1.00 pm on Saturday**. However, to ensure the safety of workers and motorists, all utility work undertaken on Parramatta Road will be completed at night between **9.00 pm and 5.00 am, Monday to Friday**.

Water main diversion work will occur in the following locations:

- Parramatta Road, Ashfield (between Bland Street and Orpington Street)
- Chandos Street, Ashfield (between Parramatta Road and Loftus Street).

The water main diversion work will be carried out over five weeks up to three nights per week, but for no more than two consecutive nights at each location.

Electrical cable installation will occur in the following locations:

- Parramatta Road, Ashfield (between Bland Street and Orpington Street)
- Chandos Street, Loftus Street and a section of Orpington Street, Ashfield
- Cecil Street and a small section of Tinana Street, Haberfield.

Notification Reference: N102

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.

Work to relocate services will include:

- installing temporary fencing
- pruning vegetation
- identifying services, excavating and installing cables or pipes
- temporary reinstatement of the work area. Permanent restoration will follow.

Equipment used throughout the work will include excavators, vacuum trucks, trucks, hand tools and lighting equipment.

One westbound lane on Parramatta Road will be closed in the vicinity of the night work. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to properties will be maintained. If you travel along the work route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including by using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences. All sites will also be restored to their previous condition.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
