

23 December 2016

Traffic and bus detour information during temporary road closure – Ramsay Street, Haberfield

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

The M4 East will extend the existing M4 from Homebush to Haberfield via underground twin tunnels, each 5.5 kilometres in length and among the widest in the southern hemisphere. They will allow for three lanes of traffic in each direction, saving travel time for motorists and taking traffic off local roads. For more information, visit westconnex.com.au/M4East.

From **Friday 20, January 2017**, Ramsay Street will be closed between Walker Avenue and Wattle Street to facilitate the construction of the Wattle Street interchange. **This closure will be in place for three months.**

Traffic changes

During the closure, eastbound traffic on Ramsay Street will temporarily be able to undertake a right turn onto Wattle Street southbound (towards Parramatta Road), this is currently prohibited. This change allows motorists that would have travelled east, through the intersection, to use Parramatta Road as an alternative route. A map showing traffic diversions and road closure is provided overleaf.

Bus stop and pedestrian changes

The existing bus stops at the corner of Ramsay Street and Alt Street and Ramsay Street and Empire Street will be temporarily closed during the work. A temporary bus stop will be set up at the corner of Ramsay Street and Empire Street (north side). The bus stop on Ramsay Street between Yasmar Avenue and Gillies Avenue will remain open. A map showing the bus diversions is provided overleaf.

Traffic control, detour signage and pedestrian management will be in place during the work to ensure the safety of motorists, pedestrians and workers. **Access to properties will be maintained at all times.**

If you travel along this route for work, please allow extra travel time and follow the signage and the direction of traffic controllers. For the latest live traffic updates and more information on these closures, visit livetraffic.com, download the Live Traffic NSW App for iPhone, iPad and Android or call the Traffic Information Line on 132 701.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification Reference: N152

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
