

22 August 2017

Traffic Switch (Part 3) – M4 Motorway Homebush

Further to our notification on 26 February 2017, work will continue on the M4 motorway.

From **Sunday, 27 August 2017** work will be undertaken to complete the construction of the new M4 Motorway westbound off-ramp to Homebush Bay Drive.

This work will be undertaken **Sunday to Friday between 10.00 pm and 5.00 am** in order to reduce impacts on road users and ensure the safety of workers and motorists.

This work is expected to take up to **four weeks** to complete, weather permitting and will include:

- off-ramp tie-in to existing westbound carriageway
- pavement works
- installing new line marking and traffic signage on the M4
- opening of new off-ramp.

The new westbound off-ramp to Homebush Bay Drive will be open to traffic mid-September 2017.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible, and undertaking regular noise monitoring to ensure levels are being managed effectively.

Equipment used will include excavators, bobcats, rock breakers, road/concrete saws, jackhammers, asphalt pavers, compactors, vacuum excavation trucks, cranes, light vehicles and trucks, concrete trucks, semi-trailers, lighting towers, and hand tools.

During the work, the M4 Motorway westbound carriageways will be closed between Parramatta Road, Concord and Homebush Bay Drive, Homebush. If you travel along this route for work, please allow extra travel time and follow the signage and the direction of traffic controllers. For the latest live traffic updates and more information on these closures, visit livetraffic.com, download the Live Traffic NSW App for iPhone, iPad and Android or call the Traffic Information Line on 132 701.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
