

Utility work – Haberfield

Further to our previous notifications (N90E, N125C), from **Tuesday, 3 January 2017** work including utilities investigations will continue along Wattle Street, Walker Avenue, Martin Street, Allum Street, Ramsay Street, Parramatta Road and Dobroyd Parade, Haberfield. A map showing the location of the work is provided overleaf.

To minimise the impact to residents, work has been scheduled to take place between **7.00 am and 6.00 pm Monday to Friday** and **8.00 am and 1.00 pm on Saturday**, where possible. However, to ensure the safety of workers and motorists, some night work is required. Night work will take place between **9.00 pm and 5.00 am Sunday to Friday**. In some instances, preparatory work may commence at 6.00 pm, residents will be notified separately when work is scheduled to commence at 6.00 pm.

This work will take approximately **eight weeks to complete** and will involve:

- installing traffic barriers, signage and line marking
- clearing and removing vegetation
- utility work including installing and modifying water, sewerage and electrical services
- installing and modifying pavements including associated drainage work
- installing concrete retaining wall structures
- installing and maintaining concrete slabs
- modifying signalised intersections
- soil stabilisation work in Reg Coady Reserve.

Equipment used during the work will include excavators, vacuum trucks, concrete saws, core drills, chainsaws, cranes, trucks, compactors, road line markers, graders, asphalt laying plant, small tools, hand tools and lighting equipment.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to properties will be maintained. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences. All sites will also be restored to their previous condition.

If you have a complaint or enquiry about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N165

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
