

Road work and traffic changes - Martin Street, Haberfield

Further to our Notification on Thursday, 19 January 2017, due to adverse weather conditions, work will continue to open Martin Street to traffic at the intersection of Ramsay Street, Haberfield. A map showing the location of the work is provided overleaf.

Upon completion of this work, Martin Street will be temporarily closed on the northern side of its intersection with Wattle Street. Residents will be notified separately of this work prior to the closure.

To minimise the impact to residents, work has been scheduled to take place between **7.00 am and 6.00 pm Monday to Friday** and **8.00 am and 1.00 pm on Saturday**, where possible. However, to ensure the safety of workers and motorists, some night work is required. Night work will take place between **9.00 pm and 5.00 am Sunday to Friday**. In some instances, where preparatory work may commence at 6.00 pm, residents will be notified separately if work is scheduled to commence at 6.00 pm.

This work can take **up to four weeks to complete**, and will involve:

- installing traffic barriers, signage and line marking
- installing and modifying pavements including associated drainage work
- constructing new pathways.

During the work, the pedestrian footpath on Ramsay Street in the vicinity of the work site will be closed. Detour signage and pedestrian management will be in place. A map showing the pedestrian detour is provided overleaf. Please note that the team is investigating alternative, shorter detour routes.

If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage. Access to properties will be maintained at all times.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N166a

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
