

Drainage work – Queen Street, North Strathfield

Further to our notification on 24 March and 12 May 2017 (N186a and N186b), work will continue along Queen Street, North Strathfield to install new drainage associated with the Concord Road Interchange work. A map showing the location of the work is provided overleaf.

To minimise impacts to residents, work has been scheduled to take place **between 7.00am and 6.00pm Monday to Friday and 8.00am and 1.00pm on Saturday**, where possible. To ensure the safety of workers and motorists, **a power outage and some night work will be required. Residents will be notified separately by their electricity provider when this work is scheduled.**

This work will take approximately **eight weeks** to complete, weather permitting, and will involve:

- installing temporary traffic barriers and signage
- clearing and removing vegetation
- potholing for investigation and location of existing services
- installing storm water drainage
- installing and modifying pavements for associated drainage work
- temporary remediation work, prior to permanent restoration.

Equipment used during this work will include excavators, vacuum trucks, concrete saws, core drills, chainsaws, cranes, trucks, compactors, road line markers, graders, asphalt laying plant, small tools, hand tools and lighting equipment.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. **Parking will be restricted in the vicinity of the work, contra flow traffic arrangements will be in place during this time and some full road closures and pedestrian detours will be required.** If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences. All sites will also be restored to their previous condition.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
