

Air Quality Community Consultative Committee

Sydney Motorway Corporation (SMC) is in the process of establishing an Air Quality Community Consultative Committee (AQCCC) to provide input and advice on the location of air quality monitoring locations and related issues.

Register to represent your community as a member of the committee.

What is involved?

The AQCCC must meet at least four times a year from establishment until two years from the commencement of M4 East operation.

SMC will appoint an independent chairperson in consultation with the Department of Planning and Environment.

Would I be a suitable participant?

We are seeking community members who:

- live in or own a business in the community surrounding either ventilation facility
- are willing to contribute constructively
- are active in the community, with strong community networks.
- have a sound understanding and awareness of the project and related environmental issues of concern to the broader community
- are willing to adhere to the Committee's code of conduct.

How can I apply?

Visit westconnex.com.au/M4EastAQCCC to download the registration form.

Send the completed form along with proof of residence such as a rates notice to either:

- info@westconnex.com.au; or
- M4 East Legacy Project, GPO Box 3905, Sydney, NSW 2001

All registrations must be received by Friday, 14 April 2017.

To find out more about this initiative and the registration process, please phone toll free on 1800 660 248 or visit westconnex.com.au/M4EastAQCCC.

Notification reference: N195

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
