

21 September 2017

Continuation of HV installation – Underwood Road, Homebush

Further to notification N199, from **Wednesday 27 September 2017**, work will continue to install a power cable on Underwood Road, Homebush. A map showing the location of the work (shown in yellow) is provided overleaf.

Timing and work hours

To minimise the impact to residents, work has been scheduled to take place between **7.00 am and 6.00 pm Monday to Friday** and **8.00 am and 1.00 pm on Saturday**, where possible. To ensure the safety of workers and motorists and due to road access restrictions, some night work is required. Night work will take place between **7.00 pm and 5.00 am Monday to Sunday**.

Work activities

This work will take approximately **three months** to complete and will involve:

- excavating and trenching for HV installation
- using a vacuum truck to locate existing services
- installing power conduit and cable
- backfilling and temporary reinstatement of the work area, with permanent restoration to follow
- tree pruning
- spoil haulage into the Underwood Road tunnel shed.

Equipment used during the work will include excavators, trucks, road saws, lighting towers, compactors and light vehicles.

Minimising impact

There will be noise associated with this work and every effort will be made to minimise the impact of work, including using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers. Some parking restrictions will be in place during the work.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N199a

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
