

14 February 2018

Concord on-ramp bridge girder installation – M4 Motorway, Concord

Further to notification N225a, from **Monday, 19 February 2018** work will continue on the substructures, called girders, to support the new Concord Road on-ramp bridge connecting Concord Road southbound to the M4 Motorway westbound. Ten of the twelve steel girders have already been lifted into position and the remaining two will be installed in the coming weeks. During this work, night time closures of the M4 Motorway will be required.

Timing and work hours

This work will take **four shifts to complete** and will occur between **9.30 pm and 5.00 am Sunday to Friday**.

If the work is unable to be completed during this period, it will be rescheduled and residents will be renotified.

Work activities include:

- adjustment of previously installed girders
- delivery of the oversized girders to site via a jinker trailer under escort
- lifting of the girders into position using a 500 tonne mobile crane.

Equipment used will include a 500 tonne crane, powered access equipment, excavators, trucks, traffic control equipment, semi-trailers, lighting towers, generators, elevated work platforms and hand tools.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

Traffic changes

Full M4 Motorway closures are required for this work between Parramatta Road and Powells Creek on-ramp (westbound), and Sydney Street and Parramatta Road (eastbound). Specific information regarding these closures will be communicated via comprehensive Variable Message Signage, local advertising and livetraffic.com.

Traffic control, signage and pedestrian management will be in place during the work to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
