

Electrical cable relocation – Ramsay Street, Haberfield

From **Tuesday, 29 August 2017**, the New M4 Project will be installing a new electricity pole. A map showing the location of the work is provided overleaf.

Timing and work hours

To minimise the impact to residents, the majority of work has been scheduled to take place between **7.00 am and 6.00 pm Monday to Friday**, where possible. However, to ensure the safety of workers and motorists, some night work is required. Night work will take place between **9.00 pm and 5.00 am Sunday to Friday**.

Work activities

This work will take approximately **3 shifts** to complete, and will involve:

- installation of a new electrical pole and removal of the redundant pole
- transferral of electrical cables over to the new pole
- preparing for an electricity cutover which will be managed and notified for by Ausgrid.

Equipment used during the work will include excavators, hand tools, cable pulling trucks, bucket trucks and lighting.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

Minimising impacts

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we will be providing residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at info@m4east.com.au and ask to subscribe to the out-of-hours work mailing list.

Notification reference: N228

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
