

## Intelligent Transport System (ITS) installation – Strathfield and North Strathfield

Further to notification N242a, work continues in North Strathfield to install new traffic signage and a CCTV camera network. A map showing the location of the work is provided overleaf.

### Timing and work hours

This work is scheduled to commence from **Tuesday 3 October 2017** and is expected to take up to **three months** to complete, weather permitting. To minimise the impact to residents, work has been scheduled to take place **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**, where possible.

To ensure the safety of workers and motorists and due to road access restrictions, some night work will be required. Work will occur between **9.00 pm and 5.00 am Sunday to Friday**. Please note, if the work cannot be completed during this period, it will be rescheduled and the community will be notified.

### Work activities include:

- potholing to locate services
- piling
- installing service conduits and pits
- installing steel reinforcement
- installing steel sign structure
- installing sign face
- temporary remediation work, prior to permanent restoration

Equipment used during the work will include: excavators, piling rig, plate compactor, trucks, franna crane, concrete saws, concrete trucks, light equipment, mobile crane, elevated work platform (EWP) tipper trucks and small hand tools.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences. All sites will also be restored to their previous condition.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking will be restricted in the vicinity of the works. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N242b

### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
