

## 1B August 2017

### Drainage work – M4 Motorway, Concord

In order to facilitate drainage work associated with the Concord Interchange, night work is required on the westbound carriageways of the M4 Motorway in Concord.

#### Timing and work hours

This work is scheduled to commence from **Wednesday 23 August 2017** and is expected to take up to **three nights** to complete, weather permitting.

The work will be undertaken between **10.00 pm and 5.00 am** in order to reduce impacts on road users and ensure the safety of workers and motorists.

#### Work activities

This work will include:

- set up including the installation of concrete barriers and crash cushion
- stormwater drainage line tying into an existing pit on the westbound carriageway of the M4
- backfill and reinstatement of pavement.

Equipment used will include: 20t excavator, trench roller, road and demo saws, plate compactor, pick and carry crane, lighting towers, hammer drill, rattle guns, generator trucks and light vehicles.

#### Minimising impact

There will be some noise associated with this work, however, every effort will be made to minimise the impact of work, including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible, and undertaking regular noise monitoring to ensure levels are being managed effectively.

#### Traffic changes

During the work, one M4 Motorway westbound carriageway will be closed between Parramatta Road and Concord Road Bridge.

Traffic control, signage and pedestrian management will be in place during the work to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
