

Changed traffic conditions – Wattle Street, Haberfield

From **Wednesday, 25 October 2017**, work to realign Wattle Street eastbound, between Martin Street and Waratah Street, will commence. This 2A traffic switch involves shifting eastbound traffic north to its final alignment between Martin Street and Crane Avenue. A map showing the changed traffic conditions and work area is provided overleaf.

After this work is completed, motorists wishing to turn right into Waratah Street from Wattle Street will need to utilise the signalised 'G-Loop' which can be accessed immediately after Martin Street. Motorists will share the 'G-Loop' with construction vehicles.

The new, temporary dedicated turning lane into Waratah Street from Wattle Street ('G-Loop') will be open to traffic from 10.00 am on Sunday, 29 October 2017.

Timing and work hours

Work to carry out these changes is expected to take **3 night shifts to complete**, weather permitting. This work has been scheduled to take place between **6.00 pm and 5.00 am Wednesday, 25 October and Thursday, 26 October and between 6.00 pm Saturday, 28 October and 10.00 am Sunday, 29 October.**

Please note, if the work cannot be completed during this period, it will be rescheduled and the community will be notified.

Work activities

The work will involve:

- establishing traffic control and setting up temporary work sites
- reconfiguring crash cushions and concrete barriers
- placement of asphalt
- temporary line marking and placement of directional markers
- configuring of traffic signals
- installation of temporary directional signage.

Equipment used will include millers, pavers, drum rollers, excavators, compactor plates, trucks, hand tools and lighting equipment.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking will be restricted in the vicinity of the work. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we can provide residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at info@m4east.com.au and ask to subscribe to the out-of-hours work mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au
