## Drainage work – M4 Motorway, Homebush

In order to facilitate drainage work associated with the M4 East, night work is required on the eastbound carriageways of the M4 Motorway at Homebush.

### Timing and work hours

This work is scheduled to commence from **Sunday 24 September 2017** and is expected to take up to **five weeks**, weather permitting.

The work will be undertaken between **Sunday and Friday, during 10.00 pm and 5.00 am**, to ensure the safety of workers and motorists.

### Work activities include:

- set up including traffic control, safety barriers and crash cushion
- conduct drainage works
- backfill and reinstate pavements

Equipment used will include lighting towers, road saw, excavators, trucks, cranes, road sweeper, power tools, generators and concrete agitator and light vehicles.

### Minimising impacts

There will be some noise associated with this work and every effort will be made to minimise the impact of work, including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible and undertaking regular noise monitoring to ensure levels are being managed effectively.

### Traffic Changes

During this work, M4 Motorway **eastbound** closures between Silverwater Rd and Concord will be required. If you travel along this route for work, please allow extra travel time and follow the signage and the direction of traffic controllers. For the latest live traffic updates and more information on these closures, visit [livetraffic.com](http://livetraffic.com), download the Live Traffic NSW App for iPhone, iPad and Android or call the Traffic Information Line on 132 701.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
