

26 September 2017

Intelligent Transport System (ITS) installation – Concord Road, North Strathfield

New signage will be installed along Concord Road to assist motorists to safely and efficiently navigate new and upgraded connections to the M4 East tunnels, Concord interchange and local roads. A map showing the location of the work is provided overleaf.

Timing and work hours

This work is scheduled to commence on **Tuesday, 3 October 2017** and is expected to take up to **three months** to complete, weather permitting.

To minimise the impact to residents, work has been scheduled to take place **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**, where possible. To ensure the safety of workers and motorists and due to road access restrictions, some night work will be required. Work will occur between **9.00 pm and 5.00 am Sunday to Friday**. Please note, if this work cannot be completed during this period, it will be rescheduled and the community will be notified.

Work activities

This work will include:

- trenching and conduit installation
- piling / drilling
- installing steel reinforcement
- installing steel sign structure
- installing sign face.

Equipment used will include a piling rig, excavators, mobile crane, vacuum truck, concrete trucks, Elevated Work Platform (EWP) tipper trucks, lighting equipment and construction vehicles.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this, including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible, and undertaking regular noise monitoring to ensure levels are being managed effectively.

Traffic control, signage and pedestrian management will be in place during the work to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
