

6 October 2017

## Intelligent Transport System (ITS) installation – Powells Creek, Homebush

Further to notification N259, new signage will continue to be installed along Parramatta Road, Homebush to assist motorists to safely and efficiently navigate new and upgraded connections to the M4 East tunnels, Concord interchange and local roads. A map showing the location of the work is provided overleaf.

### Timing and work hours

This work is scheduled to commence from **Tuesday 16 October** and is expected to take up to **three months** to complete, weather permitting.

Where possible, work has been scheduled to take place **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**.

We will re-notify you if we are unable to complete the work during this period or if there are any major changes.

### Work activities include:

- potholing to locate services
- piling
- installing service conduits
- excavation of service pits
- installation of steel signs
- temporary remediation work, prior to permanent restoration

Equipment used will include a piling rig, excavators, mobile crane, vacuum truck, concrete trucks, Elevated Work Platform (EWP) tipper trucks, lighting equipment and construction vehicles.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible, and undertaking regular noise monitoring to ensure levels are being managed effectively.

Traffic control, signage and pedestrian management will be in place during the work to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N259a

### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
