

## Road Realignment– Underwood Road, Homebush

From Monday, 9 April 2018, work will continue to realign Underwood Road, Homebush. This work is expected to take up to four months to complete, weather permitting. Residents will be notified monthly as work progresses.

A map showing the location of the work is provided overleaf.

### What we're doing

This work will involve:

- trenching to install utility services, including street lighting
- finalising the rebuilding of existing stormwater drainage
- concrete work to replace footpaths, kerb and gutters
- reinstating landscaping
- profiling and placement of asphalt for the new road surface

Equipment used during the work will include small power tools, concrete saws, a franna crane, concrete pumps, lighting towers, generators, trucks, excavators with hammer attachments, light vehicles, asphalt pavers, profilers and rollers.

### How this affects you

There will be some noise associated with this work and every effort will be made to minimise this impact including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to driveways will be maintained. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
