

Road realignment work – Underwood Road, Homebush

From Thursday 10 May 2018, work will continue to realign Underwood Road, Homebush and upgrade the M4 Motorway.

This work will require closures on the M4 Motorway eastbound (above Underwood Road). A map showing the location of the work is provided overleaf.

The work is expected to take up to three months to complete, weather permitting. Residents will be notified monthly as work progresses.

What we're doing

This work will involve:

- trenching to install utility services, including street lighting
- concrete work to replace footpaths, kerb and gutters
- reinstating landscaping
- profiling and placement of asphalt for the new road surface
- replacing noise wall panels on the M4 Motorway above Underwood Road.

Equipment used during the work will include small power tools, hand tools, concrete saws, pick and carry crane, concrete pumps, lighting equipment, elevated work platforms, generators, trucks, excavators with hammer attachments, asphalt pavers, profilers and rollers.

How this affects you

Full closures of the M4 Motorway eastbound (above Underwood Road) will be required for this work. Please pay attention to electronic Variable Message Signs and visit www.livetraffic.com for detailed updates.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please follow the signage and direction of traffic controllers. Access to driveways will be maintained.
