

## Road realignment work – Underwood Road, Homebush

From Monday 13 August 2018, work will continue to realign Underwood Road, Homebush and upgrade the M4 Motorway. A map showing the location of the work is provided overleaf.

This work is expected to take up to two months to complete due to this work coinciding with the removal of the scaffold on the Underwood Road Ventilation Facility, weather permitting.

### What we're doing

This work will involve:

- concrete work to place traffic islands, footpaths, kerb and gutters
- landscaping
- line marking

Equipment used during the work will include small power tools, hand tools, concrete saws, franna crane, concrete pumps, lighting equipment, elevated work platforms, generators, trucks, line marking truck and excavators with hammer attachments.

### How this affects you

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please follow the signage and direction of traffic controllers. Access to driveways will be maintained.

There will be some noise associated with this work. Every effort will be made to minimise this impact including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

If you have an enquiry or complaint about this work please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email
