

## Changed traffic conditions – Wattle Street, Haberfield

From **Friday, 8 December 2017**, work to realign Wattle Street westbound, between Crane Avenue and Ramsay Street, will commence. This traffic switch involves shifting traffic to the north onto a temporary alignment and removing the construction site which is temporarily located in the middle of Wattle Street. A map showing the changed traffic conditions and work area is provided overleaf.

This traffic switch will facilitate further work on the cut and cover structure, as well as utility installations, pavement work and the installation of a new site gate.

**The newly aligned Wattle Street westbound between Crane Avenue and Ramsay Street will be open to traffic from 10.00 am Sunday, 10 December 2017.**

### Timing and work hours

Work to carry out these changes is expected to take **two night shifts to complete**, weather permitting. This work has been scheduled to take place between **9.00 pm and 5.00 am on Friday, 8 December and Saturday, 9 December.**

Please note, if the work cannot be completed during this period, it will be rescheduled and the community will be notified.

### Work activities

The work will involve:

- reconfiguring crash cushions and concrete barriers
- placement of asphalt
- temporary line marking and placement of directional markers
- configuring of traffic signals
- installation of temporary directional signage.

Equipment used will include millers, pavers, drum rollers, excavators, compactor plates, trucks, hand tools and lighting equipment.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

### Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au)

Notification reference: N279

#### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
