

Ongoing night work – M4 Motorway, Homebush

From **Sunday, 10 December 2017**, night work will continue on the M4 Motorway westbound to install drainage, signage and Intelligent Transport System (ITS) infrastructure for the M4 motorway interchange. A map showing the work area is provided overleaf.

Timing and work hours

This work will take approximately **six weeks** to complete, weather permitting. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**.

If the work is unable to be completed during this period, it will be rescheduled and you will be notified.

Work activities

This will involve:

- rock breaking and hammering
- excavating trench
- installing new drainage
- concrete cutting with a concrete saw
- using a vacuum truck to locate existing utility services
- installing new utility services
- pouring concrete for foundations
- installing and commissioning CCTV camera
- installing signage steel structure and signage face.

Equipment used during the work will include road saws, excavator, rock breaker, trucks, small vehicles, concrete trucks, light towers, generators, compactor/roller, rammer/whacker, demo saw.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences. All sites will be restored to their previous condition.

Traffic changes

Temporary lane closures on the M4 Motorway westbound and the Homebush Bay Drive westbound exit ramp will be in place during this night work.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au

Notification Reference: N287

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
