

## Utilities investigation – Homebush

From **Thursday 8 February 2018**, utility service investigation work will commence on Centenary Drive and the M4 Motorway eastbound (west of the Homebush Bay Drive bridge), Homebush. **There will be closures on the M4 Motorway eastbound and single lane closures along Centenary Drive during this work.** A map showing the location of the work is provided overleaf.

### Timing and work hours

The work is expected to take up to **seven weeks** to complete, weather permitting. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Monday to Sunday**.

### Work activities include:

- concrete cutting with a concrete saw
- using a vacuum truck to locate existing services
- temporary remediation work, prior to permanent restoration
- concrete piling.

Equipment used during the work will include concrete saws, vacuum trucks, piling rig, concrete trucks, excavators, small hand tools and lighting equipment.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

### Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. There will be closures on the M4 Motorway eastbound and single lane closures along Centenary Drive during this work. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N288

#### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
