

Drainage work - Iron Cove Creek, Haberfield

From Thursday 12 April 2018, work will continue to complete the installation of a new stormwater drainage connection into Iron Cove Creek, Haberfield.

A map showing the location of work is provided overleaf.

This work will take up to three months to complete, with monthly updates provided to the community. This work will take up to three months to complete with residents provided updates monthly.

What we're doing

The remaining work will involve:

- constructing the drainage outlet
- excavation and foundation work
- tie the drainage outlet into the creek
- landscape and remediate the area.

Equipment used during the work will include piling rigs, excavators, trucks, compactors, vibrating rollers, concrete trucks, concrete pumps, hand tools and temporary water treatment plants.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we provide residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at info@m4east.com.au and ask to subscribe to the mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
