

## Drainage work - Iron Cove Creek, Haberfield

From Monday, 30 July 2018, work will continue to complete the installation of a new stormwater drainage connection into the Iron Cove Creek, Haberfield. A map showing the location of work is provided overleaf.

Work is expected to take up to a month to complete.

### What we're doing

The remaining work will involve:

- tying the drainage outlet into the creek
- landscaping and remediating the area.

Equipment used during the work will include piling rigs, excavators, trucks, compactors, vibrating rollers, concrete trucks, concrete pumps, hand tools and temporary water treatment plants.

### How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we provide residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at [info@m4east.com.au](mailto:info@m4east.com.au) and ask to subscribe to the mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
