

Restoration work – Wentworth Road and Pomeroy Street, Homebush

From **Thursday, 1 February 2018**, work will commence to remediate the road surface and footpath along Wentworth Road and Pomeroy Street, Homebush. A map showing the location of the work is provided overleaf.

Timing and work hours

Work is expected to take up to **2 weeks to complete** and is scheduled to occur between **7.00 am and 6.00 pm Monday to Friday and 8am and 1pm Saturday**, weather and site conditions pending.

Work activities

The work will involve:

- vegetation and tree trimming
- concreting to restore kerbs, gutters, driveways, laybacks and footpaths
- mill and re-sheet road surface with asphalt.

Equipment used during the work will include an equipment trailer, road profiler, asphalt paver, smooth drum rollers, trucks, light vehicles and tree lopping equipment including wood chippers.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this impact including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to properties beside the work site will remain with traffic control aiding residents. **The work site will require a full road closure will be required during vegetation and tree clearing and asphalt work.** If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au

Notification reference: N307

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
